FASTAID R3 CONSTRUCTA MAX PRO™ METAL CABINET FIRST AID KIT

Description

- White metal wall mount cabinet
- Quality heavy gauge steel
- TGA registered no. 128314
- 1-50 person low and 1-25 person high risk compliant
- Ideal for construction and civil sites

The FastAid R3 Constructa Max Pro™ first aid kit is an ideal kit for construction and civil applications, exceeding Australia's national Work Health and Safety (WHS) standards for workplace environments.

This first aid kit meets the latest WHS regulations for low-risk workplaces such as offices, libraries, and retail spaces accommodating 1-25 persons. It is also suitable for high-risk settings like construction and civil sites, compliant for up to 50 people on-site.

The R3 Constructa Max Pro™ first aid kit is packed with a comprehensive range of premium hospital grade contents and includes three additional modules for treatment of burn injuries, eye injuries and outdoor risks such as snake and spider bites. Includes a full colour snake and spider bite identification and treatment guide and appropriate contents to effectively treat bites.

Unique colour coded contents make locating the right item in an emergency faster and easier.

FastAid's first aid metal wall cabinets are built from a heavier gauge steel than standard to ensure they stand up to the rigours of the workplace. The organisation sleeve on the inside of the cabinet door provide space for you to place your high use first aid items and treatment guidance to ensure fast and easy access.

Compliance
