Experience unmatched protection and comfort with the ONYX 8Z MET PR Black Work Boot. Featuring a unique FLEX-TEC mechanism and the highest slip-resistant rating, this boot is ideal for heavy industry, mining, oil, and gas. The Poron®XRD™ Metatarsal Guard provides extra protection for the top of your foot, making it perfect for environments with falling hazards. Additionally, the WELLMAX® Puncture Protection ensures safety from sharp objects on-site. This boot also features an anatomical rebound zone for enhanced comfort during long shifts. Available in Black and Wheat.
